

25th Annual Charity Golf Tournament

To Benefit Children's Hospice
In honor of baby Mark Warren Wuelfing

Our purpose is to raise money for children's hospice programs in Northern California to support terminally ill children and their families. To date, we've raised more than \$700,000 towards this cause, thanks to our many generous supporters. We're excited to host our **25th Annual Charity Golf Tournament** as we continue to grow our impact and help more children and families in need. We look forward to you participating in this fun, worthwhile event.

Friday, June 27, 2025
