14th Annual Charity Golf Tournament

To Benefit Children's Hospice

Friday, July 12, 2013
Sunol Valley Golf Club
Sunol, California

In honor of baby Mark Warren Wuelfing

www.markiefoundation.org/golf/

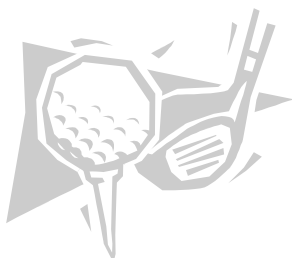

Dear Supporter,

The Markie Foundation was established in July 1999 to honor our son Mark Warren Wuelfing, who died at four months of age from a severe neurological disorder.

Our purpose is to raise money for children's hospice programs in Northern California, and to help other families receive the quality hospice services needed while caring for a terminally ill child at home. To date we have raised more than \$300,000 towards this cause, thanks to our many generous supporters.

We are excited to host this 14th annual golf tournament, as we continue to grow and support children's hospice care. We look forward to you participating and helping us continue to make a difference in the lives of terminally ill children and their families.
